Career Objectives

Passionate and detail-oriented Java Developer with a strong foundation in designing, developing, and maintaining scalable applications. Adept at leveraging Java technologies, frameworks, and best practices to deliver efficient software solutions. Seeking a challenging role where I can apply my expertise in Java development, problem-solving, and software architecture to contribute to innovative projects and enhance user experiences.

Work Experience

Transcendence Software Pvt. Ltd. **Feb 2024 - Aug 2025**

Senior Java Developer

- **Developed and maintained multiple enterprise applications**, ensuring efficiency and scalability.
- **College ERP System** – Built modules for **student management, fee processing, and scholarship tracking** using **Java, Servlet, JSP and Oracle**.
- **College Admission Portal** – Created an automated admission system for seamless **student enrollment, counselling, and document verification**.
- **Automobile ERP** – Designed and developed a **comprehensive inventory and order management system** for automobile businesses, integrating **product sales tracking, accounting, and financial reporting**. Optimized database performance using **Oracle PL/SQL Stored Procedures.**
- **Vendor Portal** – Developed a platform for **vendor registration, order tracking, and payment processing**.
- **Service Software** – Built a service **booking, tracking, and technician assignment system**, integrating **REST APIs** for web applications.
- **Payment Gateway Integration** – Integrated **secure payment solutions (Bill desk, PayU, SabPaisa)**, ensuring smooth transactions for customers.
- **SMS, WhatsApp, and Mail Gateway Integrations** – Developed notification systems for **real-time communication with customers**.
- **Database Optimization** – Designed and optimized **Stored Procedures, Functions, and Triggers in Oracle** to improve data processing efficiency.
- **REST API Development** – Built scalable APIs for **third-party integrations** and improved system interoperability.
- **Implemented MVC Architecture** – Ensured clean and maintainable code structure for better application efficiency.

Inspirisys Solutions Ltd. **Aug 2025 - Present**

Associate Software Engineer

- Developed new application modules based on client **BRD** and business requirements using Java and Spring Boot with Oracle database.
- Provided production support for **CRM** system, resolving incidents within **SLA**.
- Handled monthly **billing statistics** generation, ensuring accuracy and timely delivery.
- Contributed to **migration** of **legacy** applications to **Spring Boot**.
- Supported client deployment and resolved post-deployment issues.
- Implemented security features including **JWT-based authentication and API rate limiting**.
- **Optimized SQL queries** and improved **performance** of **reporting** and backend processes.

Skills

Technical Skills

- **Programming Language** : C, Core java, OOPS
- **Frameworks & Technologies** : Spring Boot, Hibernate, Servlet, JSP
- **Web Development** : HTML5, CSS, JavaScript, Bootstrap
- **Databases** : Oracle, MySQL
- **Version Control** : Git, GitHub
- **Tools & Servers** : Netbeans, Vs Code, Eclipse, Postman, Mobaxterm, Web Logic, Tomcat
- **Software Development Practices** : MVC, REST API

Area of Interest

- Microservices & APIs - Database Management - System Design & Scalability - Java Backend Development

Education

Cooch Behar Government Engineering College, Cooch Behar, West Bengal, 736170 **Sep 2019 - Jun 2022**
B. Tech, Electronics and Communication Engineering *CGPA -9.32/10*

MBC Institute of Engineering & Technology, Burdwan, West Bengal, 713101 **Aug 2016 - Jun 2019**
Diploma, Electronics and Telecommunication Engineering *CGPA -8.1/10*

Patrasayer Bamira G.D. Institution, Bankura, West Bengal, 722206 **2016**
10+2 (W.B.C.H.S.E.) *Percentage – 64.8*

Patrasayer Bamira G.D. Institution, Bankura, West Bengal, 722206 **2014**
10th (W.B.B.S.E.) *Percentage – 73*

Certificates

- Java Full Stack Software Development Training, Q & J Spiders, Kolkata. **CERTIFICATE**

Languages Known : English, Hindi & Bengali.

Hobbies : Traveling, Teaching & Mobile Photography.
